JAWS for Windows, Magic and ZoomText software users please note:

If you select the **Payment slip** button on this screen you will be taken to a screen containing your pre-printed payment slip.

This screen is in Portable Document Format (PDF) and may not be fully accessible with your screen reader software. It is presented in PDF format to ensure the integrity of the barcode on the payment slip and also to enable Australia Post to scan it.

The information displayed on the PDF payment slip screen contains the same information and payment details you have selected in the **Payment options details** screen (that is, the screen that you are now in).

It is recommended that you save the **Payment options details** screen and also the PDF screen containing your pre-printed payment slip for future reference if required. To save the **Payment options details** screen, select the **Printer friendly version** button and then use your standard browser functions to save the screen.
