

You also agree that we may, as appropriate:

- Where you are the borrower, notify a credit reporting agency you as an individual (not as a director of a company) have applied for credit with us, the amount of the credit required and that we are your current credit provider;
- Provide your identification details to a credit reporting agency;
- Exchange your credit information with the credit reporting agency and any finance provider named in your credit report or in your application;
- Obtain information about your consumer credit or commercial activities, or commercial credit worthiness, where relevant, from a credit reporting agency in Australia and/or New Zealand;
- Disclose credit information about you to a guarantor, or a prospective guarantor; and
- Obtain a credit report about you as a prospective guarantor to assess whether to accept you as a guarantor.

Where we provide you with consumer credit (not commercial), you agree we may notify a credit reporting agency, as applicable, that:

- You have applied for credit with us and we are your current credit provider;
- Your loan repayments are overdue by more than 60 days in Australia, or 30 days in New Zealand, and collection action has started or any such reported repayments are no longer overdue;
- In our opinion, you have committed a serious credit infringement (e.g. acted fraudulently or shown an intention not to comply with credit obligations)

Where the applicant, or guarantor, is a company of which you are a director, you specifically acknowledge and agree you consent to the use of your personal information, in addition to the company's information, in each of the ways listed above, whether or not you are to guarantee the company's debt.
