About Cover-More

In the 26 years since Cover-More was founded we have become the most popular travel insurance provider in Australia. Cover-More Group is an Australian-owned travel insurance and assistance group of companies with offices in the United Kingdom, China and New Zealand.

We insure more Australian travellers heading overseas than anyone else and provide more emergency assistance to Australian travellers than anyone else. In fact, in 2011 over 1.6 million Australians chose to travel with a Cover-More policy.

And for those who may need assistance when overseas, we offer outstanding emergency assistance and dedicated care throughout the claims process.

Cover-More's Top 10 Travel Tips

1. Check the latest travel advice for your destination at: www.smarttraveller.gov.au
2. Make sure your passport has at least 6 months validity from your planned date of return to Australia.
3. Leave a copy of your travel itinerary and documents with your family and friends at home.
4. Check the Electrical standards of the destination and make sure you have the correct adapters for that country.
5. Leave time between connecting flights to collect and recheck luggage.
6. Make sure you have the correct visas for any country you may be visiting.
7. Remain aware. Don't carry large amounts of cash and remain wary of anyone offering help, particularly if you did not initiate the request.
8. Pack lightly. And where you can't, make sure you roll your clothes to allow for more space in your suitcase.
9. Learn some basic phrases for polite interaction with locals.
10. Don't forget to pack your camera!
