Our Privacy Policy is changing

Your privacy is important to us. That's why we have a strict Privacy Policy in place to keep your information safe. The Privacy Act was recently changed — so from 12 March 2014 our Privacy Policy will be changing too.

What's changing?

We're updating our policy to include more information on:

- How we collect and handle your personal information, including collecting information from your dealings with us and from publicly available sources, so we can serve you better.
- Who we exchange your information with, such as other financial institutions and organisations that help identify illegal activities and prevent fraud.
- When we may send your information overseas, and to which countries.
- How you can access and correct your information, and how you can complain about a breach of our privacy obligations.

These changes will apply whenever we collect, use or exchange your information, so it's important for you to be aware of them.

There are also government laws which require or authorise us to collect your information, such as the Anti-Money Laundering and Counter-Terrorism Financing Act, the Taxation Administration Act and the Income Tax Assessment Act.

How can you find out more?
